The total cost of this contract covers the kiddush reception only. Ohav Shalom is obligated to prepare 10% more food to cover the potential for more guests to arrive as it is a Mitzvah to attend a Bar/Bat Mitzvah and reservations are not required. Any food left over will be reserved for Synagogue use. If your family could benefit from additional food for your guests after the Kiddush reception, please discuss with Nancy and a "To-Go" contract can be arranged for an additional fee.
