Meet our panelists

I have a passion for this work and engaging with the Jewish community brings me deep joy. I'm here to live, love and lead out loud. -- Kathleen McLean

Fighting racism is lifelong work, so be prepared to make long term efforts...And maybe, don't forget that Jews come in all colors. -- Antoinette Deitcher

What I would like people to take away from this is a realization of how much they have to learn about systemic racism and white privilege and how rampant it is in our very own community. -- Susan Ungerman

One idea? Experiencing racism can have a huge impact on a person's life - and Jews do it also and need to work to stop it. -- Victor Asal
